To County Superintendent: Tuesday 10/18/2005
To Office of Public Instruction, Accreditation Division: Tuesday 10/25/2005

This information is collected under the following administrative rule:

10.55.601 ARM Accreditation Standards: Procedures
(3) To ensure continuous education improvement, the school district shall develop, implement, evaluate, and revise a five-year comprehensive education plan.

1. State each goal from the 5YCEP (reading, math and other listed goals).
Refer to the most current data available to analyze progress toward meeting the goals.
Provide a narrative describing the data and analysis used to determine the course of action.
State the course of action needed to achieve these goals for the next school year.
The district/school data and analysis will indicate that changes or no changes are needed.

_____

2. State the 5YCEP goal(s) for professional development and utilizing the most current data available analyze and provide written documentation of district/school's progress toward meeting the listed goal(s).
Based upon the analysis, specify the course of action needed to achieve the goal(s) for the next school year and provide rationale for the selection.
The district/school's analysis will indicate how the teacher(s) was assisted in improving instructional practices and content knowledge to enhance student academic achievement.
The district/school data and analysis will indicate that changes or no changes are needed.

_____

3. Describe the district s current curriculum development timeline for continuous improvement and utilize the most current data available to analyze and provide written documentation of the district/school's progress.

_____

4. Based upon the annual analysis, provide any additional information necessary to clarify the course of action for the next school year and provide rationale. The district/school data and analysis will indicate that changes or no changes are needed.
